**Lucy Look-A-Like Guidelines**

- Dress up as "Lucy" in the famous "Grape Stomp" show, Episode 150 of the fifth season. If you recall, in this episode, while on route to Italy, Lucy is offered a part in a film called "Bitter Grapes" by an Italian producer. Lucy, again, did not disappoint her viewers, with her style and comedy.
- Participants will be judged on the following:
  - Costume and make-up that replicate the style and atmosphere of the episode and the setting
  - Mannerisms that most closely mimic Lucy, at her finest.
  - Speech that brings "Lucy" to life.
- Please arrive, dressed as "Lucy", at the **North Dakota Wine and Grape Harvest Festival** on Saturday.
- If you have not already registered for the contest, go to the Registration table to do so.
- If you have registered using this on-line form, please check in at the Registration table.
- Judging will begin at Opening Gate (1:00 PM) by Judges at large.
- At approximately 3:30, all "Lucy" Look-A-Likes will appear on the Stage.
- While on Stage, all will have an opportunity to introduce and say a few words about themselves.
- The contest winner will be announced during the Grape Stomp Competition, 5:00-7:00 PM that afternoon.
